## Forever Living participates in wellness and halal expo

FOREVER LIVING has confirmed its participation in the coming Sarawak Health, Wellness, Beauty and Halal Expos 2011.

Forever Living is a big name in the health and wellness industry, being the world's largest grower, manu-

facturer and distributor of aloe vera and products which are available in 145 countries.

At the expo, Forever Living will offer a wide range of its health, nutritional, beauty and skin care products.

Besides Forever Living, BP Diagnostics will also exhibit its products and services.

Established in 1982, BP has more than 30 centres nationwide and it continues to work its way towards becoming a leader in the diagnostic

sector. BP was the winner of the Malaysia Frost and Sullivan Customer Value Enhancement Award 2010 for its diagnostic service.

The expo from Jun 10 to 12 at Permata Exhibition Hall in Kuching is organised by Eagle Interactive Sdn

Bhd.

The various activities include exhibitions of health and beauty products, health screenings and talks, beauty demonstration, and contests.

For details on the expo, contact Eagle Interactive at 082-238 513.
