

# More sign up for health expo

**KUCHING:** More health and beauty businesses have confirmed their participation in the upcoming Sarawak Health, Wellness, Beauty and Halal Expos 2011.

Among those joining the expo, which will be held at the Permata Exhibition Hall, Permata Car Park from June 10, are GTG Wellness Sdn Bhd, Mazara Enterprise and Unilever.

GTG Wellness Sdn Bhd is a leader in supplying state-of-the-art medical and wellness equipment, aesthetic machines, lasers and skincare products. Most of its products are found in hospitals, wellness centres as well as slimming and beauty centres.

GTG Wellness will have a lot of attractive offers for guests who visit its booth at the expo.

Meanwhile, Mazara Enterprise also has plenty to offer visitors.

The company provides facilities for electrostatic field of therapy which is believed to be able to overcome various ailments like high blood pressure, diabetes, heart problems, sinus, migraine, asthma, gastric, arthritis, insomnia, lumbago, gout as well as skin problems.

Unilever, a distributor of many household brand products, will also display most of its products at the expo, ranging from personal and hygiene care, food and nutritional supplements as well as home care products.

Minister of Environment and Public Health Dato Sri Wong Soon Koh is scheduled to officiate at the expo on June 10.

Organised by Eagle Interactive Sdn Bhd in collaboration with the Health Department, the expo is expected to attract thousands of visitors over three days.

Various side activities have been lined up for visitors, including free bone scanning, body mass index checking, medicated massage workshop and general health screening.

There will also be a health talk, art and colouring contest for students, fitness demonstration and enzyme-making demonstration.

UCSI University, Sarawak Campus is the expo's supporting event partner, while Parkway Health Group is the platinum sponsor.

For details contact Eagle Interactive on 082-238513.

# Wyeth Nutrition joins health expo

**KUCHING:**

Wyeth Nutrition, one of the largest research-based pharmaceutical

and healthcare companies in the world, will be an exhibitor at the Sarawak Health, Wellness, Beauty and Halal Expos 2011.

The Wyeth name is synonymous with excellence, achievement, and a commitment to world health.

It is a household name, fully dedicated to nourishing babies, young children, and mothers.

The reach of Wyeth Nutrition is vast, spanning the globe with operations on six of the seven continents.

Today, Wyeth Nutrition's products are available in over 60 countries, nourishing infants and children from China to Australia, Mexico, Colombia, the United Kingdom and the Middle East.

All parents are encouraged

to visit the Wyeth booth at the expo to be held from June 10-12 at Permata Exhibition Hall, Level 5, Permata Car Park.

Exciting activities lined up include free bone scans, free body mass index (BMI) checks, free general health screening, free medicated massage workshops, blood donation campaign, free health talks, children's art and colouring contests, fitness demo, eco enzyme making demo, and Father's Day celebration activities.

The Sarawak Health, Wellness, Beauty and Halal Expos 2011 is an annual event organised by Eagle Interactive Sdn Bhd in collaboration with the state Health Department.

Parkway Health Group is the platinum sponsor.
